You can sign up for as many "Signature Service" beds as you would like, \$25 each. If you are a family of four, you may not need bed spreads and in room coffee for all four members.

**By special arrangement with ALCM, discounts are available for families with children aged 12 years old or younger.**

Families, when booking the stay, please take the following steps:

- 1) Be sure to give your email address and be sure to remember your password. (You may be returning later to pay for your stay.)
- 2) Book your family as if everyone is an adult. You will only see the full rates at the time you are booking the housing. The discount comes later. Please note, according to the campus fire code, every person needs a bed – no sharing, no sleeping bags.
- 3) Once you get to the payment screen (this is very important) please select “Pay at the Event (Will Call).” Then complete the registration. Yes, it looks like you are still paying the full amount. You will receive a confirmation email – yes, it still looks like you are paying the full amount). At this point, please respond with an email stating how many of your guests are 12 years of age or younger. A revised invoice will be sent to you, which will reflect your discount. You then can log back on to the site with your email address and your password (you remember it, right?). Once you give your email address and your password and click on the “Continue” button, you will be given the option to “Make Payment.”

If all of this sounds too complicated, please feel free to call with any questions and Seattle University will be happy to help. Here is the number: 1-206-296-5620.

**What do you do if you have a family larger than 4 members?** There are no rooms in on campus housing which will allow for more than 4 people. However, give them a call, they will work with you to sign you up for two rooms side by side. Someone 13 or over must be staying in each of the two rooms.
